14.28.155 Payment of Fees

All surface water management utility service charges are due and payable at the office of the city administrator by every month (due date). If payment is not received within five (5) days of the due date, the account shall become delinquent. On or about the first of every month a notice shall be sent to the customer noting the balance due, including any interest. After the city sends a notice of delinquency on the account, the customer must pay any delinquent amount within five (5) days. Any surface water management utility service account that has been deemed delinquent shall be assessed a 5 percent of the delinquent amount.

Title 15 **Natural Gas**

15.08.010 Natural gas basic monthly service charge rates shall be determined by meter size serving the customer and are as follows:

Meter Size-	Basic Monthly Service Charge
Less than 750 BTU/hour	\$11.27
750 or more BTU/hour	\$13.54
1,000 or more BTU/hour	\$15.78

*Plus \$1.1983 per month per 100 cubic feet of gas used.	(-5%)

15.08.040 Shut-Off/Dispatch Fee \$25.00/Natural Gas
Payment of Fees

(1) All charges and/or fees for natural gas service are due and payable at the office of the city administrator by the first of every month (due date). If payment is not received within five (5) days of the due date, the account shall become delinquent. On or about the first of every month, a notice shall be sent to the customer noting the balance due, including any penalty interest. After the city sends a notice of delinquency on the account, the customer must pay any delinquent amount within five (5) days or services may be disconnected. Any natural gas service account that has been deemed delinquent shall be assessed a penalty of 5 percent of the utility bill amount. The utility billing clerk shall, not later than the fifteenth day of each month, furnish to the public works director a list of all meters in which natural gas service accounts are delinquent.

After natural gas service accounts become delinquent, the public works director shall, subject to the conditions set forth in this section, cause to be shut off the service to the premises affected by such delinquency and the natural gas shall not be restored until all delinquent charges and fees, including a fee established by resolution of the city council for the cost of shut-off notice and dispatching the city crew, shall be paid in full to the city administrator's office.

(2) This dispatch for shut-off fee is in addition to any other charges and late fees owed on account.

(3) The city may not refuse to provide service to a new tenant because of nonpayment of utility bills by the previous tenant.
