

## Cemetery Entrance Trees

Scarlet Oak *Quercus coccinea*

This tree can take drought and poor soils and has good fall color. 70 feet high and wide.

'Autumn Blaze' maple  
Acer x freemanii 'Autumn Blaze'

This red maple is a newer cultivar and has great fall color. It can take some drought. In front of the oaks, the color contrast should be very fine when the trees are mature. 40 feet high x 30 feet wide.
