RE: 2015 - TRANSPORTATION BENEFIT DISTRICT – SIDEWALK REPAIR PROJECT

Buckley, WA – The Buckley Transportation Benefit District (TBD) Board would like to announce that beginning Thursday morning, November 12, 2015, construction crews will begin repairing and replacing designated sidewalk sections throughout the community. Specific project areas are identified in the map enclosed. The TBD Board is committed to public safety and pedestrian connectivity and intends to put funds collected from TBD vehicle fee's into local projects that further those goals.

The City's Public Works Department staff performs an annual sidewalk condition assessment that identifies and prioritizes damaged sections throughout the community. If there's a damaged section in your neighborhood that you have questions or concerns about then please contact Chris Banks, Assistant PW Supervisor at 253-261-6788 or cbanks@cityofbuckley.com. Other questions or concerns can be referred to Dave Schmidt, City Administrator at 360-761-7802 or email dschmidt@cityofbuckley.com.
