### To All Property Owners:

Due to some issues we have experienced regarding property owners not knowing about their renters utility bills, The City has decided to send all property owners copies of their renters (current and past) utility bills and delinquency notices so that you can be informed on a monthly basis. This process will take a couple months to complete so some will be getting copies this month and the rest will be completed by next month barring no difficulties. If you have any questions, please contact Devon Boyle at 360-761-7610 or [dboyle@cityofbuckley.com](mailto:dboyle@cityofbuckley.com).
