

Coming soon to the City of Buckley

AUTOMATED GARBAGE SERVICE

City of Buckley customers living within the city limits of Buckley will soon have automated garbage service! Each customer will be provided with a new forest-green wheeled garbage cart based on your current service level. Automated Collection uses specialized wheeled carts to store your trash. The carts are emptied using a mechanical arm on the collection vehicle. This system is a safer and more efficient method of collection.

Current Can Size (customer provided)	New Cart Size (company provided)
10 gallon	*10 gallon
20 gallon	24 gallon
1 - 32 gallon	32 gallon
2 - 32 gallon	64 gallon
3 - 32 gallon	96 gallon
4 - 32 gallon	2 - 64 gallon
