Planning Commission Minutes
October 21, 2013

Chairperson Helmer called meeting to order at 7:04 PM. The following members were present: Harris and Howse. Wink was absent and excused. Also in attendance was City Planner Thompson.

There were no meeting minutes for tonight's meeting.

Park Plan

Planning Director Thompson gave an overhead presentation of the results from the Open House on Saturday. Thompson stated the open house produced some interesting and profitable desires. Some of the comments were to included bike racks, free standing BBQ, benches, picnic tables, gazebos, sign's, possibly a tot area. Currently there are only two access points to the shoreline. There was a suggestion to have at each trail head, covered bulletin boards, parking (horse trailer and RV), hitching posts, bathrooms, garbage cans, and a dog run. On the trail they would like to see exercise check points. Discussion ensued.

Planning Director Thompson then went over the Goals and Policies of the Park Plan via the overhead projector and made changes and deletions as appropriate. Thompson stated she will make all the changes and bring back a corrected document.
