

## City of Buckley

### Planning Commission Minutes

April 7, 2014

Chairperson Helmer called meeting to order at 7:00 PM. The following members were present: Harris, LaVergne, and Leggett. Members Wink and Howse were absent. Also in attendance was City Planner Thompson.

**Harris moved to approve the minutes of the March 24, 2014 commission minutes as presented at the meeting tonight. Leggett seconded the motion and the motion carried.**

#### **Element 3, Economic Development**

Helmer stated there were comments at the public hearing as well as written comments from Chief Alan Predmore that the Commission would like to discuss. Thompson stated she included the comments and changes that were discussed at the last meeting and they are in a strikeout and/or underline red line method so you can vote to keep or not keep the changes. Thompson asked the Commission if they wished to go through this document goal by goal so that everyone can add the comments they wish, or do you just want to go through the changes that are marked. The Planning Commission agreed to go goal by goal so they are not missing anything. The Planning Commission then went through the entire document to make any changes or corrections. Thompson stated she will make all the changes and bring it back to the Commission for final review at the next meeting.

#### **Element 4, Urban Design**

Helmer stated because Howse was not present, we will skip Urban Design until the next meeting.

#### **Element 2, Housing**

Thompson stated she did not send the housing element on Thursday because she did not have it done. Thompson stated she and Harris went through this and made changes, which is what the Planning Commission is currently looking at. The commission briefly went through what has been done so far on the housing element. They got as far as strategies, which they will continue with at the next meeting. Harris asked Thompson if she would double check the numbers to make sure they are correct. Thompson provided the buildable lands tables to the Commission for review.

### **New/Old Business**

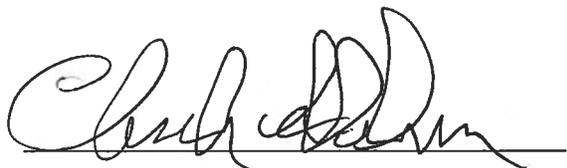

Helmer asked if there was anyone that would be interested in taking the lead on the Land Use Element and get together with Thompson. LaVergne stated she would be happy to. Thompson gave the Commission a hand out to get started on this.

### **Next Meetings**

Our next meeting will be April 21, 2014 at 7:00.

**Harris moved to adjourn the meeting. Leggett seconded the motion and the motion carried.**

With nothing further the meeting was adjourned at 8:30 PM.
