

**City of Buckley**  
**Planning Commission Minutes**

**September 14, 2015**

Vice-Chairperson Harris called meeting to order at 6:59 PM. The following members were present: Helmer and Beatty. Hall was absent and excused as he informed the Commission at the last meeting. Also in attendance was City Planner Thompson.

**Marijuana Ordinance Discussion**

Thompson stated she has provided a memo to the Commission that was given to the City Council at one of their study sessions in May and it dawned on her today that she had not yet given it to the Commission. She went over the memo with the Commission. She has the ordinance on the screen so the Commission can make changes if necessary from the comments that were received at the Public Hearing. The Commission then went through all the issues item by items and made changes and corrections based on the Public Hearing.

**Helmer moved to forward to the City Attorney and the City Council the recommendation for the Marijuana Ordinance given the corrections and changes made tonight for approval for their consideration. Beatty seconded the motion and the motion carried.**

**New/Old Business**

Harris stated she does have something and that is we don't have a Vice Chairperson. When all members are present we will have election for that.

Helmer stated he talked to the Planner in the City of Sumner and he said yes they do have a five minute period allowed at the beginning of the meeting and they restrict it to items other than what is on that night's agenda. We will discuss this more in depth at the next meeting.

**The next meeting will be September 28, 2015 at 7:00 PM**

**Beatty moved to adjourn the meeting. Helmer seconded the motion and the motion carried.**

With nothing further the meeting was adjourned at 8:20 PM.
