RESOLUTION NO. 26-__

BUCKLEY, WASHINGTON

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BUCKLEY, PIERCE COUNTY, WASHINGTON DECLARING AN EMERGENCY AND WAIVING THE COMPETITIVE BIDDING REQUIREMENTS FOR A PUBLIC WORKS PROJECT.

WHEREAS, RCW 39.04.280(1)(e) provides that the governing body of a municipality may waive the competitive bidding requirement for a public works project in the event of an emergency; and

WHEREAS, RCW 39.04.280(3) defines "emergency" as unforeseen circumstances beyond the control of the municipality that either: (a) Present a real, immediate threat to the proper performance of essential functions; or (b) will likely result in material loss or damage to property, bodily injury, or loss of life if immediate action is not taken; and

WHEREAS, on January 29, 2026, the Public Works Department discovered that two of the four foundations of the westerly steel structure of the Water Transmission Main Cable Pipe Bridge across South Prairie Creek had been undermined during a major high flow event in the Creek. As a result the structure is currently at risk of failure; and

WHEREAS, February 2, 2026, the Public Works Staff obtained photos and videos for damage assessment and it was determined that repair of the undermined foundations would entail installation of concrete and grout under the two foundations, construction of a protective , removal of gabion baskets, new soldier pile retaining wall construction, and roadway reconstruction; and

WHEREAS, the City's water system consists of six wells (including DSHS's well #5) and the jointly operated surface water diversion from South Prairie Creek; and

WHEREAS, the City's surface water diversion from South Prairie Creek is the community's primary drinking water source and provides the highest volume and flow to the system; and

WHEREAS, the City Council has determined that due to the timing, location, critical function and immediate need of repair, insufficient time exists to make the necessary repairs through the standard competitive bidding process and must therefore declare the situation as an emergency; and

WHEREAS, the City Council has therefore determined that an emergency situation exists and desires to make the necessary repairs to the City/DSHS Water Transmission Main Cable Bridge

Structure Footings by directing the Mayor and City Administrator to waive the competitive bidding process and award all necessary contracts on behalf of the municipality to address the emergency situation;

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Buckley hereby declares that an emergency situation exists with the damage to the City/DSHS's Water Transmission Main Cable Bridge to the potential interruption of flow from the City's primary drinking source that resulted from a major creek flow event and authorizes the Mayor and City Administrator to waive the competitive bidding process and award all necessary contracts on behalf of the municipality to undertake immediate repairs.

Introduced, passed and approved this 10th day of February, 2026.
