

CITY OF BUCKLEY NOTICE OF 2021 COMPREHENSIVE PLAN AMENDMENT PROCESS

PUBLIC NOTICE IS HEREBY GIVEN, on December 2, 2020, that the City of Buckley is now accepting applications for amendments to Buckley's Comprehensive Plan. The Comprehensive Plan guides Buckley's growth and development and is foundational to Buckley's land use planning. While the next major, periodic update to Buckley's Comprehensive Plan must be completed by 2024, the Washington State Growth Management Act allows Comprehensive Plan amendments once per year. This application round is for Buckley's 2021 Comprehensive Plan amendments. Amendment proposals will be compiled into a docket, along with any city-initiated amendment proposals, and then reviewed following a process described in Buckley Municipal Code Title 19.06 and Title 20.

Applications to propose 2021 annual comprehensive plan amendments are due to the City by 5:00 pm on Monday, February 1, 2021. The application intake fee is \$1,200 plus an additional \$70 environmental review intake fee and \$375 deposit. Completed applications can be emailed to the point of contact below, mailed to Associate Planner Evan Lewis at PO Box 1960, Buckley, WA 98321, or delivered in-person to the Building & Planning Department Office at 811 Main St. in Buckley.
