

CITY OF BUCKLEY NOTICE OF APPLICATION & SEPA DETERMINATION

NOTICE IS HEREBY GIVEN, the White River School District has requested a Land Disturbing Permit (LDA-22-0003) to re-grade the infields (36,000sf), create new dugouts, build an equipment storage shed at the baseball field and construct new backstops. Approximately 18,000cf of onsite soil will be used for fill if needed during regrading. Two additional catch basins are proposed to be added near the baseball fields. Additionally, improvements are proposed to the bus turnaround to prevent bus and truck encroachment (includes 3,000sf of new impervious surface), repaving of the parking lot of the Administrative building (6,500sf) and the provision of an accessible ADA path from the south parking area to the south door of the Administrative building where an elevator is located.

SEPA DETERMINATION The City of Buckley, as lead agency, has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a SEPA checklist and other supporting information that can be made available to the public on request. This DNS is issued under WAC 197-11-340; the lead agency will not act on this proposal for 14 days from the date of notice publishing. Comments and administrative appeals must be submitted by 5 pm on 5/25/22. This DNS may be appealed by filing an application with the point of contact below within 14 days of this SEPA determination pursuant to BMC 12.04.160 and the timing and procedures set forth in Title 20 BMC.

Application materials may be viewed in person at the Buckley Building and Planning Dept. Office at 811 Main Street or via email. Requests for information and/or written comments may be directed to Building & Planning Director Emily Terrell at 360-761-7817 or eterrell@cityofbuckley.com, or by mail to City of Buckley, Attn: Emily Terrell, P.O.
