### **Project Description:**

The City of Buckley received a site plan review application (File # SPR-22-0004) two accessory buildings, each 2760sf behind an existing commercial building located at XXX SR 410.

**Project Location:** XXX SR 410, Buckley, WA 98321 (APN 5665000255)

**Project Proponent:** Jared Stevenson, P.O. Box 2300, Buckley, WA 98321

**Lead Agency:** City of Buckley Building and Planning Dept., PO Box 1960, 811 Main Street, Buckley, WA 98321

**Environmental Determination:** The City of Buckley has determined that this proposal does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This is an amended site plan for a previously approved project (Hearing Examiner Decision March 21, 2017). The amended project decreases the scope and impact of the prior approved project. The City is adopting the prior SEPA Environmental Checklist (December 8, 2015) and the prior DNS (issued April 13, 2016). As the prior decision covered a larger scope of work with more potential impact, the SEPA Responsible Official has determined the prior environmental review and determination are adequate to assess the impacts of the present proposal. This information is available to the public on request.

**Comment Period:** This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from the notice date. Written comments must be received by 4:00 p.m. on July 28, 2022. If significant comments are received, the City may issue a revised SEPA determination. If the City issues a revised determination, the City will open a new comment period.

**Supporting Information:** Information used to reach this determination, including the reviewed SEPA checklist and applicable State and City policies, regulations and procedures, are available for public review at the City of Buckley, 811 Main Street, Buckley, Washington, 98321, or by contacting the Responsible Official below.
