**SEPA Determination:**

The responsible SEPA official has reviewed the proposed project for probable adverse environmental impacts issued Determination of Non-significance (DNS). This determination is based on the following findings and conclusions:

- There are no critical areas on the site (wetlands, streams, etc.).
- No adverse environmental impacts are anticipated as result of this land use process.
- The proposal is for a land use process only.
- Any subsequent development in the future will undergo a separate SEPA review if applicable, unless exempt.

The optional DNS process in WAC 197-11-355 is being used. **This may be your only opportunity to comment on the environmental impacts of the proposed project.** Agencies, tribes, and the public are encouraged to review and comment on the proposed project and its probable environmental impacts. Comments must be submitted by the date noted above to the City Staff Contact above.

**Date, time, and place of a public hearing:**

The open public hearing before the Hearing Examiner has been scheduled for **Thursday, August 4 at 1:30 pm**. Members of the public are invited to participate. Members of the public are invited to attend the Zoom hearing by phone, dial 253-215-8782 and enter Meeting ID 876 9979 1830.
