On or about the first of every month a notice shall be sent to the customer noting the balance due, including any penalties and interest. After the city sends a notice of delinquency on the account, the customer must pay any delinquent amounts within 15 days or services may be disconnected. Any water service account that has been deemed delinquent shall be assessed a late penalty of 5 percent of the delinquent amount. The utility billing clerk shall, not later than the fifteenth day of each following month, furnish to the public works director a list of all meters in which water service accounts are delinquent.
