

CITY OF BUCKLEY, WASHINGTON

RESOLUTION NO. 21-06

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BUCKLEY, PIERCE COUNTY,
WASHINGTON REVISING THE COMPREHENSIVE TAXES, RATES AND FEES SCHEDULE TO
ADJUST TO 2021 RATES.**

WHEREAS, through the adoption of Resolution No. 08-05, the City Council established a comprehensive schedule of taxes, rates and fees for the City; and

WHEREAS, subsequently the comprehensive schedule of taxes, rates and fees has been amended to update taxes, rates and fees on an as needed basis; and

WHEREAS, RCW 35A.21.152 requires the City to notify each affected solid waste collection ratepayer by mail or newspaper at least forty-five (45) days prior to the proposed effective date of the rate increase; and

WHEREAS, Weeks Funeral Homes Incorporated provides contracted (operator) services on behalf of the City Cemetery. The City retains authority to set fees for all lots, blocks, tracts, or parcels of land in the Cemetery, but allows the operator to request increases in prices to City Council under Title Four (4) of the Buckley Municipal Code so long as there is a 90 day notification and comment period; and

WHEREAS, The City of Buckley Fire Department has established a Live Fire Training Facility to train and advance the knowledge, skills, and abilities of staff/volunteers. The Live Fire Training Facility is available in down time for use by other fire jurisdictions and has established a new fee to recover the expenses associated with providing outside services and use; and

WHEREAS, based upon review of the City's 2021 Budget, the City Council has determined that due to the cost of services and contractual opportunities, there are cost recovery services that needed to be updated; and

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Buckley hereby repeals and replaces the "City of Buckley Taxes, Rates and Fee Schedule" adopted by Resolution No. 20-04 with Exhibit A, attached hereto and incorporated by this reference as if set forth in full.

Introduced, passed and approved this 23rd day of February 2021.

Non-Potable/Untreated	CCF	\$1.10

Summer rates will be reflected on bills covering June 1st through September 30th

C. Multiple Residential Units.

1. The water availability charge for a connection serving multiple residential units shall be the availability charge set forth above, multiplied by the number of dwelling units connected to the meter, as follows:

- Each duplex unit will be billed as though separately connected to the water main, based on $\frac{3}{4}$ " meter rates.
- In the case of apartment/trailer courts having one meter, each unit will be billed as though separately connected to the water main, occupied or not, based on $\frac{3}{4}$ " meter rates.
- In the case of building lots which have been granted a use permit to allow more than one dwelling on one service meter, each dwelling unit will be billed as though separately connected to the water main, based on $\frac{3}{4}$ " meter rates.

2. There shall be only one water meter for each building housing multiple residential units.

D. Multiple Commercial and Industrial Buildings. Where all commercial or industrial buildings connected to a single service are used in the same business under single management, billing shall be made as for a single building.

E. Special Use Charge. Special purpose use of water from fire hydrants or stand pipes shall be \$50.00 plus \$2.33 per 100 cubic feet for all water used inside the city limits and \$60.00 plus \$2.79 for all water used outside the city limits.

F. In the event a customer is not connected to a meter service, or a meter has broken, become out-of-order or fails to accurately meter actual water usage, the customer shall be charged the base or minimum charge, together with an estimated charge for the water used at the premises, based upon the average usage for the corresponding month of the preceding year, averaged over a three-month period including the preceding and following month. In the event there is no prior history for the preceding year, the charge shall be based upon the average water usage for the month for all customers of the municipal water supply system in the same service class.

	Payment of Fees	

All charges and/or fees for water service are due and payable at the office of the city administrator by the fifteenth of every month (due date). If payment is not received within five (5) days of the due date, the account shall become delinquent. On or about the first of every month a notice shall be sent to the customer noting the balance due, including any penalties and interest. After the city sends a notice of delinquency on the account, the customer must pay any delinquent amounts within 15 days or services may be disconnected. Any water service account that has been deemed delinquent shall be assessed a late penalty of 5 percent of the delinquent amount. The utility billing clerk shall, not later than the fifteenth day of each following month, furnish to the public works director a list of all meters in which water service accounts are delinquent.

After water service accounts become delinquent, the public works director shall cause to be shut off the service to the premises affected by such delinquency, and the water service shall not be turned on again until all, or if less, at least four months of delinquent charges, interest and fees, including a fee established by resolution of the city council for the cost of issuing the shut-off notice and dispatching the city crew, is paid in full to the city administrator's office.

14 08 040 Payment of Fees

All charges and/or fees for sanitary sewage disposal services are due and payable at the office of the city administrator by the fifteenth of every month (due date). If payment is not received within five (5) days of the due date, the account shall become delinquent. On or about the first of every month a notice shall be sent to the customer noting the balance due, including any penalties and interest. After the city sends a notice of delinquency on the account, the customer must pay any delinquent amounts within 15 days or service may be disconnected. Any sanitary sewage disposal service account that has been deemed delinquent shall be assessed a late penalty of 5 percent of the delinquent amount. The utility billing clerk shall, not later than the fifteenth day of each following month, furnish to the public works director a list of all sanitary sewage disposal service accounts that are delinquent.

After sanitary sewage disposal service accounts become delinquent, the public works director shall cause to be shut off water service to the premises affected by such delinquency and the water service shall not be turned on again until all, or if less, at least 12 months of delinquent charges and fees, including a fee established by resolution of the city council for the cost of issuing the shut-off notice and dispatching the city crew, shall be paid in full to the city administrator's office.

14.28.155 **Payment of Fees**
All surface water management utility service charges are due and payable at the office of the city administrator by the fifteenth of every month (due date). If payment is not received within five (5) days of the due date, the account shall become delinquent. On or about the first of every month a notice shall be sent to the customer noting the balance due, including any penalties and interest. After the city sends a notice of delinquency on the account, the customer must pay any delinquent amounts within 15 days. Any surface water management utility service account that has been deemed delinquent shall be assessed a late penalty of 5 percent of the delinquent amount.

Pursuant to RCW 35.67.200, et seq., the city shall have a lien for delinquent and unpaid stormwater sewer charges. A sewer lien shall be effective for a total not to exceed one year's delinquent service charges without the necessity of any writing or recording of the lien with the county auditor. Enforcement and foreclosure of any sewer lien shall be in the manner provided by state law. Interest on the unpaid balance shall be eight percent per annum or higher rate as authorized by law.
