# BUCKLEY SPRING CLEANUP

APRIL 8-11, 2019

This year Buckley's Annual Residential Spring Cleanup Program will be held April 8th through April 11th, 2019. D.M. Disposal Service and the City Shop Crew will jointly sponsor this year's program. The program will work the same as in years past. **Please read below.**

All items will be collected curbside where your normal garbage is picked up on **WEDNESDAY**. Have them at the site by 7:00 AM on pickup day.

You will be allowed three extra bags or containers of garbage. Please have up to three extra bags or cans sitting next to each other and set slightly apart from the other items so the driver can easily distinguish them. Please remember that there is a weight restriction of 45 lbs. per container.

You will also be allowed three extra containers of yard waste **ONLY IF YOU PAY FOR YARD WASTE SERVICE**. Please do not put the yard waste in plastic bags because plastic is a contaminant in the composting process. Use cardboard boxes or an extra garbage can. The yard waste must not be longer than three feet in length and must be bundled. Place all the extra containers next to your yard waste container. Try to keep the yard waste clearly separated from the garbage. Each container must weigh less than 45 lbs.

The last item allowed is a major appliance. This could be a refrigerator, freezer, range, dishwasher, trash compactor, washing machine, dryer or hot water heater. Microwave ovens, televisions, BBQ's and small appliances will not be accepted. The major appliances will be collected by a separate truck and recycled. **PLEASE PUT THEM IN FRONT OF THE HOUSE, APPLIANCES WILL NOT BE PICKED UP IN THE ALLEY.** We can only accept one appliance per household.

*Appliances will be picked up all week so if you have an appliance, please put it out on Monday.*

If you have any questions, please call Devon Boyle at 360-761-7810.
