

**CITY COUNCIL
STUDY SESSION
January 18, 2022**

ATTENDEES: Council members Breeden, Rose, Arsanto, Sundstrom, Smith, Burbank and Green.

Also in attendance were Mayor Burkett and City Administrator Schmidt.

Mayor Pro Tem Smith called the regularly scheduled meeting to order at 6:01 PM.

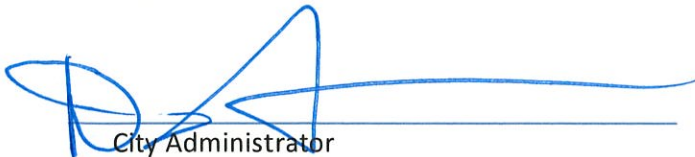

City Council Committees:

City Council discussed the three different committees and went over information for each committee for the new City Council members. The Council decided who would be the best fit for Admin/Finance/Public Safety Committee, Community Services Committee and Transportation and Utilities Committee. Each Committee will have a chair that will keep track of the minutes for each meeting and then report it back to the City Council at Council meetings. Council member Smith gave his concerns that he would like to eventually see Public Safety become a Committee all by itself. The Committees will go before Council at the next City Council meeting on January 25, 2022.

City Council Rules and Procedures:

City Council rules and procedures were brought before the new Council members. The Council has decided that they would give the new members time to review the Council rules and procedures and discuss it at the February City Council Study Session. City Council would really like to get this adopted at the March City Council meeting.

With nothing further, the Study Session was adjourned at 7:05 PM.

City Administrator

Mayor
