Transportation Element, E-5

Thompson stated at the last meeting there were some questions about comments from the agencies which she sent to the Commission after the last meeting. The choice now is the send it onto the Council with recommendations to consider particular of the comments or to wait until we get more information. Harris feels we need to pass this onto Council. **Harris moved to pass this onto Council for their review and consideration. Garland seconded the motion. There was a brief discussion. The motion then carried.**

Anomaly Ordinance 2017

Thompson stated this is not back from the City Attorney yet.

Proposed revision to Title 20

Thompson stated she made a couple changes today. She changed all the 2017 to 2018 and added a subsection 6. Thompson then went through the document with the Commission. The commission discussed this and made changes and corrections as discussed. Thompson stated she will put these changes into the Ordinance.

The next meeting will be December 4, 2017 at 7:00 PM. The December 18, 2017 meeting will be cancelled but if something comes up that has to be done, we will have the meeting but that is very unlikely.

With nothing further the meeting was adjourned at 7:32 PM.
