

## City of Buckley

### Planning Commission Minutes

August 6, 2018

Chairperson McPhail called meeting to order at 7:01 PM. The following members were present: Harris, Rose and Garland. Griffin was absent. Also in attendance was City Planner Kathy James.

There was one correction to the minutes and that is the wording illegal in place of legal. **Harris moved to approve the minutes of the July 2, 2018 commission meeting. Rose seconded the motion and the motion carried.**

#### **Marijuana moratorium**

James stated the commission received the memo from her on July 26<sup>th</sup>. She is still waiting to hear from the City Attorney regarding the ordinance. She has changed the language to have the limit per parcel rather than per acreage because it is just too hard to use acreage. The limit on retail is 2 parcels and the limit on producing and processing is 3 parcels each because the Planning Commission wanted everything status quo with no increases from what we currently have. If this is good with the Commission we can set a hearing date for September 10, 2108. **Garland moved to rescind the approved motion from the last meeting. Harris seconded the motion and the motion carried.** The Commission then agreed that they would like to move forward with the Ordinance as written and will hold the public hearing On September 10, 2018.

#### **New/Old Business**

James explained to the Commission about the re-organization of the Planning Department; that she will be the long range Planner working from the Fire Station and Leticia will be working on all current planning with help of a part time Intern.

The next meeting will be August 27, 2018 at 7:00 PM.

With nothing further the meeting was adjourned at 7:29 PM.

Mark McPhail, Chairperson
