WHEREAS, our organization has approved a comprehensive parks and recreation or habitat conservation plan that includes this project; and

The sample project agreement may be revised periodically by the Recreation and Conservation Office. Our organization recognizes that such changes might occur prior to our authorized representative signing the actual project agreement, and we accept the responsibility and the presumption that our authorized representative shall have conferred with us as to any such changes before he/she executes the project agreement on behalf of our organization and so executes with our authorization.

We understand reimbursement basis means that we will only request payment from the Recreation and Conservation Office after we incur eligible and allowable costs and pay them. The Recreation and Conservation Office may also determine an amount of retainage and hold that amount until the project is complete.
6. We acknowledge that any property owned by our organization that is developed, renovated or restored with grant assistance must be dedicated for the purpose of the grant in perpetuity after the project is complete unless otherwise provided and agreed to by our organization and the Recreation and Conservation Funding Board in the project agreement or an amendment thereto.
